

Dear AIA California Desert Chapter Members and Friends,

We are quickly approaching the end of the year, so we thought we would provide a year end wrap up to 2018, and kick off 2019.

- Last month, on Nov 3, we held the annual meeting, hosted graciously by Michael Burch, AIA, and ...at the Historic Cavanagh Adobe in Indian Wells.
- We elected the following Exec. Committee.
- We hosted the ADA CEU on November 17<sup>th</sup>, for 27 architects

For 2019 we are looking at the following efforts.

- Ryan Tharp, Assoc. AIA has been working on Modernism Week Sponsorship for 2019
- Richard Hobbs, FAIA has been spearheading, along with Florence Hagstrom, Hon. AIACC, and Dan Spencer, AIA, the effort to have AIA CEU credits for select Modernism Week lectures and tours for February 2019. This was kicked off this October at the Modernism Fall Preview. Look for the AIA CEU logo on the Modernism Week Website.
- 
- The AIA California Desert Chapter would like to encourage SNOWBIRDS, and retired architects to join the AIA California Desert Chapter...if you are Emeritus, there is no cost, and if you are a chapter member in another part of the country, you can become a Chapter Affiliate Member for \$50.00.
- We hope these efforts will encourage AIA members and other registered architects to get involved with the California Desert Chapter.
- Please let us know if you would like to become involved in AIACDC.
